Dear Beacon Hill International School Families,

This past Friday, the entire Beacon Hill Staff joined the staffs of the other 7 international schools in Seattle for an inspiring professional development day around what it means to be an international school and how we can best infuse global issues and global relevance into our curriculum. For me and for the staff, our commitment to empowering your children to become positive, high-achieving, compassionate and justice-minded global citizens has been reconfirmed and reenergized. I know that non-student, professional development days for teachers can be burdensome for many of you who need to arrange childcare, but I want to reassure you that the BHIS staff uses every minute of that time to improve their practice for your students.

Students had a great week of learning this week. Enjoy your weekend. See you on Monday.

Sincerely,

*Mr. Aramaki* – 校長荒牧 - Gg. Aramaki - *Sr. Aramaki*
