Dear Beacon Hill International School Families,

It has been wonderful seeing many of you at our curriculum nights over the past few weeks. So many of you have shared with me how helpful it has been to hear teachers talk about what the expectations are this year for your children and the ways in which you can help your children extend their learning at home. **Kindergarten Curriculum Night** is our final curriculum night and is now scheduled for December 7<sup>th</sup> from 6:00 – 7:00 in the kindergarten classrooms. Then, from 7:15 – 8:00 that same evening, kindergarten families will have the opportunity to hear me share a little about myself, what my vision and goals are for our school, and the latest news and updates about our school. If you don't have a kindergartener, but missed my presentation at one of the earlier curriculum nights, you are welcome to attend my presentation on December 7<sup>th</sup>. Childcare will be provided (thanks to our incredible PTA and CDSA). And thanks to our incredible bilingual IAs, translation will be provided as well.

Sincerely,

*Mr. Aramaki* – 校長荒牧 - Gg. Aramaki - *Sr. Aramaki*

- **Safety Reminder on 12<sup>th</sup> Avenue** – For the safety of our students and neighbors, please slow down when driving along 12<sup>th</sup> Avenue S. between Massachusetts and Hill Street. Police will be monitoring occasionally.
- **Halloween Costume Policy** – Beacon Hill has a “No Halloween Costume” policy. On Halloween, please be sure that your child wears their uniform. It'll be a typical learning day for all students.
- **Want to Help with Hiring?** We always need parents on interview teams. To help with interviews, you need to go through a district training. If you've been through the training, please let the office know. We will keep a list of parents who have been trained. If you would like to be trained and want more information on training dates and how to register, please go to [www.seattlewea.org](http://www.seattlewea.org). Under “resources”, click on “hiring training”. I would love to have parents trained who represent the great diversity of our school.
