Dear Beacon Hill International School Families,

CURRICULUM NIGHT COMING SOON!

To help you stay closely connected to what your child is learning in class, each grade level will be holding a **curriculum night** over the next two weeks. At curriculum night, you will learn about what your child will be studying this year, upcoming class projects, key field trips and other important learning goals for the school year. Then, after each grade-level presentation, you are invited to stay and meet with me who will be sharing information about the academic growth our students have made over the past year, our goals for this year, highlights about our school's programs, highlights about the \$300,000 grant we received from the City of Seattle and the supports we receive being a Title I School. For our linguistically-diverse families, interpretation support will be available in Spanish, Tagalog, Cantonese/Toisanese/Mandarin, and Vietnamese. The following is the schedule. I encourage you to come! **Childcare is provided by CDSA.**
