January 10, 2014

Greetings Beacon Hill International School Families,

Happy New Year! It's hard to believe that we are almost half way through the school year. This is a great time to check in on your child's social and academic growth this year. In many of the classrooms, students are working on goal setting. They write where they are at currently, what they want to achieve and how they are going to reach their goal.

For example:

My reading level now is _____.
I am working on _____
I am getting better at _____
My next reading goal is _____
I will reach my reading goal by _____

At home, you can help your child reach their social and academic goals by modeling how you reach your goals and asking:

- 1.) What is your goal? 2.)Where are you at now? 3.) How are you going to reach your goal?
- Most of all, offer encouragement and praise.
