Greetings Beacon Hill International School Families,

Today was filled with a lot of fun reading activities for Read-A-Thon. Thank you again to all the parents that organized this event. The money raised supports our library, special events, camp and much more. It was wonderful seeing students **READING** in all of the classrooms.

Reading at Home:

Please encourage your child to read at home.

Research shows that the amount of independent reading relates to growth in reading comprehension, reading fluency, and vocabulary.

- 1.) Let your child choose what they will read.
- 2.) Books should be at a "just right" reading level. Ask your child's teacher at conferences.
- 3.) Read aloud and tell stories in your home language.

Monday, Tuesday, and Wednesday are parent teacher conferences. Our goal is 100% attendance.

There is no school next Thursday and Friday, for the Thanksgiving holiday.

Student Safety

Student safety is a priority at Beacon Hill International.

Reminder: Before school and after school, students can only be in the building if they are attending a before or afterschool program. Adult supervision on the playground starts at 8:20.

In addition:

*Running Club with Ms. Heather Graves Chavez 8:20-8:40 Mondays, Wednesdays, and Fridays

*The Library is also open Monday-Friday from 8:20-8:40.

Drills: One time a month, the school is required to practice a drill. (Fire drill, earthquake, lock down and shelter in place) So far this year, we have had a fire drill, an earthquake drill, and a shelter in place. These drills are to help all of us be prepared in case of a real emergency.

BHIS Attendance Update:

Thank you for making sure that your students are at school and on time.

Reminder: If your child is sick or needs to miss school, please call the school office and report the absence at (206) 252-2704.

This holiday season, the best gift you can give your child is a good education and the best place to get an education is in school.

It's tempting to extend your vacation by a few days, but remember, those days count as absences. Just a few missed days here and there, even if they're excused, can add up to too much lost learning time.

So make sure your child is in school every day, right up until vacation starts and back in school when the break ends.

Our teachers will be teaching, and our students will be learning. Please help us reach our attendance goal of every child at school each day.
